

Invitation Letter

Dear Friends,

It is with great pleasure that I would like to inform you that **the Moroccan League for the Fight against Diabetes** is co-organizing, with **the Moroccan Society for Nutrition, Health and Environment**, the 5th edition of World Obesity Day, on May 23, 2025, at the International University of Rabat.

Under the auspices of **the Ministry of Health and Social Protection and the Ministry of Higher Education, Research and Innovation**, this event will be organized in collaboration with:

- the International University of Rabat;
- the CNRST (National Center for Scientific Research and Technology)
- and the AFRA/IAEA Designated Regional Center for Nutrition (Ibn Tofaïl University – CNESTEN).

The event's program focuses on the fight against obesity and the latest technological advances and prevention methods, in accordance with the strategic guidelines of the Ministry of Health and Social Protection and WHO guidelines.

This event will bring together national and international experts in the field, with the active participation of **Professor Peter Schwarz, President of the International Diabetes Federation**. This participation of the IDF President is also part of the preparation of Morocco's bid to host the World Congress of the International Diabetes Federation in Marrakech in 2029.

While counting on your presence and involvement in the work and recommendations of the day, please accept, dear friends, the expression of my cordial regards.

Professor Jamal BELKHADIR

President of the Moroccan League for the Fight against Diabetes
Former President of the International Diabetes Federation MENA Region
